Awards & Honors Recognition Committee:

D. L. Shah Trust/ASSE Safety India Award

The Awards & Honors Recognition Committee (AHRC) makes recommendations regarding the three Indian National-level awards program and ceremonies. The Committee also recommends changes and additions to the awards program it believes are in the best interests of Indian HSE&S ASSE members. The Committee is responsible for the evaluation of all petitions for the Honor of three awards for recommending qualified petitioners to the D. L. Shah Trust and the ASSE. The Committee also directly evaluates and makes the final selection for all petitions of candidates for the D. L. Shah Trust/ASSE Safety India Awards. All of the current AHRC members have contributed long and distinguished service to the profession.
